INVITATION TO THE 28TH LUMKO WORKSHOP FROM 16TH AUGUST TO

11TH SEPTEMBER 2021

Dear Friends of LUMKO East Africa,

It is our extreme pleasure to invite your Pastoral workers to **LUMKO East Africa Program 2021**.

LUMKO workshop brings together pastoral workers from different parts of Africa who are/work at parochial, diocesan and national levels. We also invite formatters and leaders of Small Christian Communities.

The main focus of the workshop is to study in detail the theological and pastoral vision of LUMKO's way of being a church. We emphasize teamwork when training participants on how to train leaders and ministers of SCCs. The workshop trains on the use of more than 30 books and visual aids (from LUMKO South Africa) in relation to SCCs and how to write training programs that suit their particular needs back home.

It is recommended that a team of two, three or more persons attend the workshop so as to form a team of trainers for the parish or diocese.

Venue: Loreto Abundant Life Centre, Isinya, Kajiado **Transport:** Laikana/Naekana matatu to Kajiado at Race Course Road near Oil Libya Petrol Station, right up to Isinya town where you will be transported to the centre five kilometres up Pipeline Road. Those at Holy Family Basilica at 12 noon on 16th August 2021 will get a lift to the Centre.

Cost: US \$650 in cash or Ksh 65,000. Please write Kenya shillings cheque payable to "Loreto Sister: Waumini Pastoral Programme" Acc. No. 1000420537 NCBA Bank.

This cost includes trips for learning purposes related to Small Christian Communities, celebrations during the workshop, work papers, use of LUMKO Books and workshop materials. Applicants are advised to send in their application forms before 1st May 2021.

We look forward to a productive workshop as we learn and share.

Thank you.

Yours Sincerely,

Ephigenia Gachiri IBVM
